

Drive like an
animal(lover).

Get a pet plate today to help local animals.

petplate.org

Make your car a vehicle for **change.**

Now you can support animals in Massachusetts every time you take the wheel.

How It Works

- Request an "I'm Animal Friendly" license plate at the RMV or order online at petplate.org
- Pick up your new plates, registration and decal at the RMV or have them mailed directly to you
- Drop off your old plates at the RMV or mail them back

Each plate helps non-profit humane organizations and municipal animal control agencies in Massachusetts provide spay and neuter services for cats, dogs and rabbits.
